

# MOVIE SCREENING

## Our Seeds: Seed Blong Yumi

**Sunday 3pm**  
**12th September 2010**

**Northmead Public  
School Hall  
Kleins Road**

Sustainability Street Winston Hills and Transition Parramatta proudly present this acclaimed film shot in eleven countries by the founders of SeedSavers Australia Jude & Michel Fanton. The film celebrates the keepers of traditional food plants who stand at the source of humanity's diverse food heritage.

Come along, bring a friend & enjoy the film, afternoon tea & a cuppa. Have a great afternoon & meet your local community. Seed & seedsaving packs will also be available!
